## **SECTION A & B EXAMINATIONS :2020**

The ongoing COVID-19 pandemic has caused much disruption in both our personal and work lives. In our case, the Summer 2020 Section A & B Examinations had to be postponed due to the prevailing situation. We fully realize the inconvenience and uncertainty it has caused to our students and many avenues are being explored to overcome this situation. Keeping the interest of our students in view, it will be our earnest endeavour to conduct the next Section 'A & B' Examinations in the second week of October 2020, keeping the prevailing situation in mind.

We will keep you updated on the issue and look forward to your consideration in these unprecedented times.

Keep safe, Keep healthy.

President IEI
