MEMORANDUM

Subject: Appeal for Membership under the category of Member Technologist (MTIE) / Associate Member Technologist (AMTIE) – Special meeting on 20th February, 2022 (Sunday).

It is to inform that The Institution of Engineers (India) was registered in 1920. The Institution was granted the coveted Royal Charter in 1935 “to promote and advance the science, practice and business of engineering in all its branches in India”. Having initiated the journey with a defined mission, IEI is now a unique professional body featuring 15 engineering disciplines and has overall membership of over 2 lakhs Corporate members and about 1.5 lakhs Student Members.

IEI, with its presence in 6 countries also represents India in several International Forums, like World Federation of Engineering Organizations (WFEO), International Engineering Alliance (IEA), Federaton Internationale du Beton (fib), Federation of Engineering Institutions of Asia and the Pacific (FEIAP), and Federation of Engineering Institutions of South and Central Asia (FEISCA), besides having a host of strategic tie ups with professional societies across the globe.

IEI functions with and amongst professional engineers, academicians and research workers and provides a vast array of technical and value added professional services to the Government, industries, academic and engineering communities.

IEI has been conducting its well recognized engineering education programme since pioneering the same in 1928. Post-completion, the programme is acknowledged to be equivalent to a degree in engineering by the Government of India.

IEI, Headquartered in Kolkata, India and administered by a Council led by its President, operates through 125 State and Local Centres located in the State capitals and towns of industrial and academic importance all over the country along with six Overseas Chapters. The Secretary and Director General is the Chief Executive Officer of the Institution.

The IEI has Guest House facility in almost every centres in the Country which can be availed by the members of IEI for them as well as for their family members.
